BEAVER'S BALL FRIDAY NIGHT

NOTES and STUFF

PJC now has a new name. Due to all the beard-growing around here, the school is being called the "House of David." Sure fits, no?

Wonder who will win that beard contest?

John Keenan is quite right on that little talk he gave to his intro to business class. John says there is too much profanity all over the campus. We feel, as does Mr. Keenan, that there is absolutely no need of it. Let's start today and have "Clean up the talk week!"

Friday night, March 18 here in the gym, the Circle "X" club will present their Beaver's Ball. According to one of the members of the "X" club, tickets have been going like the proverbial "hotsakes" and it looks as if there will be a large crowd on hand for the event.

One of the features of the dance which should attract a lot of interest is the beard growing contest. Judges will decide just who will receive the prizes. Members of the faculty will be among those judging the "beards".

Even though most of the tickets have been sold, there is still time to obtain some before it's too late. All members of the Circle "X" Club have these tickets for sale.

EDITORIAL

The HJC wishes to take this opportunity to congratulate the student body and especially RICHARD MILKILIN for the fine showing they made in contributing to the "PORT FUND." The collection of \$25.00 was double what had been expected.

"Outing Club" EXTRA!!!

Although there is little or no snow on the lawns around the campus, that doesn't mean that there are no more "ski trips" for the year.

IMPORTANT! There is a BIG trip (a two-day affair) planned for the first week in April. There will be a meeting in the very near future, concerning same. For more info, contact Dick Morrison or Al Clarke.

"FISHING TRIPS" are planned for one phase of the "Outing Club's" activities this Spring. Unlimber your fishing gear, and be ready for these balmy fishing days, that are just around the corner.

HEY! HEY!

If you belong to any of the school clubs, that are having there pitchers took, yo'all better hurry up and check the bulletin board fer' the rite day an the rite time!

SUPPORT YOUR CLUBS *
Give to the "MULTIPLE SCLEROSIS Foundation".

Can't you see them? They're all around us, - you can't escape them! BEAVERS!! Beavers, all over the place, and I'm sure, by now, that you know where they've come from, and where they are going. OF COURSE! They're going to the "BEAVERS BALL", and that's where you should be going, if you want to be at the BEST shindig that PJC has sponsored for quite some time. All "honor and glory" goes to the CIRCLE "K", --- the LOST active group "on Campus"!

No one, I believe, on the Campus wants a miniature "plan of regimentation" to appear on PJC Campus, and I'm sure that none will evolve. But I am also sure that if SOME (very un-select few) continue to show disregard for college property, (I predict), there will be some DRASTIC changes (for that very un-select few) around here!!!

R.L.L.

Signs of Spring: Shinier cars (here and there), a little mud (a LOT of mud), an occasional sprig of grass (green stuff) too. If PJC was co'ed.....BUT, it isn't.....(phew)!

Heard in the cafeteria:

"Ich habber hunner, mein gooten froinda, yo'all" (form S. Germ.).

Tinkling out a few COOL notes on the piano in the cafeteria the other day, was Chet Keefe. We'd like to hear from the "combo" that was going "great guns" the first of the year. Howza about it, Chet?
